NewSouth Books, Albania, 2012. Paperback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****. The members of the 332d Fighter Group and the 99th, 100th, 301st, and 302d Fighter Squadrons during World War II are remembered in part because they were the only African American pilots who served in combat with the Army Air Forces during the war. They are more often called the Tuskegee Airmen since they trained at Tuskegee Army Air Field. In the more than sixty years since World War II, several stories have grown up about the Tuskegee Airmen, some of them true and some of them false. This book focuses on eleven myths about the Tuskegee Airmen, thoroughly researched and debunked by Air Force historian Daniel Haulman, with copious historical documentation and sources to prove Haulman's research.
