Date: 2007-1-1. There are many students have a headache of writing. perhaps to learn the basics of good. can often run into the essay exam. you are at a loss. brains finally completed. scores are appalling. Because in the language exam essay category accounted for an increasing proportion of the essay writing is not good. the results are stagnant. Anxious students. parents are worried. but it is can not think of a practical way to solve this problem. Since gaining a new concept of the national essay contest prize. many publishers send manuscripts around. editors also continued to publish how many articles written composition. but also received a lot of letters from readers. Similar contents of the letter. are big sigh of grievances. I was born there is no writing that the root ribs! A lot of people do not wait to give their own conclusions. Admittedly. not everyone can become a writer, writing is not good even for a lot of people know nothing about. We can not by looking at the composition of several books. learn the recipe writing skills immediately to digest, giving top priority to U.S. achievements in a text. After all, writing is a cumulative process, and never was in haste. The key is how the accumulation: the accumulation of objects, methods, and how the accumulation of you have completed the appropriate use of the accumulation. Since not everyone wants to be a writer (not necessarily want to be able to), then we realistically address how to score in the exam essay question. Contents: you and me talk about our sports my nephew...
