Reviews

This is actually the greatest publication i have go through right up until now. I really could comprehended every little thing using this composed e book. I realized this book from my i and dad advised this ebook to learn.
(Jimmie Schmidt I)

SING AND PLAY ROCKS, BOOK #3

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.What is a Sing and Play-Along? Living Waters Jazz sing and play-alongs consist of a music book with 8 songs (melody + lyrics + chords) where a vocalist and/or instrumentalist or sings or plays along with accompaniment tracks (mp3s) you download (approximately 70 megabyte zipped file). Great fun and an excellent form of practice for instrumentalists wanting to supplement their practice time or performance. For vocals and all instruments (key of C Treble Bass Clef), Bb and Eb. It s you and the band, that is, the accompaniment tracks in 8 songs by Christian songwriters found on the web. Mixed hot and to sound as if the band is right there with you! And the songs are short enough in length so you can sing or play all eight songs in one sitting. These songs by Christian authors are inspirational, soul searching and are meant for worship or praise. Either to supplement practice time or for performance, or even to use as band material for a small group. Choirs can also sing a long with these accompaniment tracks! CD is available as a separate purchase. Search title ID: 2296720 Or use this link: // Full demo versions of each track included in this book is available for listening at: // Sign up for the Living Waters Jazz newsletter as more books are completed. Living Waters Jazz is a Christian based company creating faith inspired instrumentals for everyone! And now, vocals too. While Jazz is in the name, Living Waters Jazz also produces play-alongs in a wide variety of genres. More books coming soon!.
