FAST FACTS: HYPERTENSION, THIRD EDITION (FAST FACTS SERIES)

Health Press Limited, UK, 2006. Softcover. Book Condition: New. First Edition. Available Now. Book Description: Hypertension remains the major treatable risk factor for premature cardiovascular disease, stroke, heart attack and heart failure. The need for more effective management of hypertension is obvious: even in developed societies such as the UK and USA, fewer than one third of hypertensive patients receive adequate treatment. Since publication of the last edition, several important clinical trials have been published and new guidelines on how...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
