Reviews

An extremely amazing publication with lucid and perfect answers. It is written in easy phrases instead of confusing. I am just very happy to inform you that this is the best pdf we have read in my own daily life and can be the greatest publication for at any time.

ON THE BORDER: SOCIETY AND CULTURE BETWEEN THE UNITED STATES AND MEXICO (PAPERBACK)

Scholarly Resources Inc., U.S., United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. A stunningly beautiful backdrop where cultures meet, meld, and thrive, the U.S.-Mexico borderlands is one of the most dynamic regions in the Americas. On the Border explores little-known corners of this fascinating area of the world in a rich collection of essays. Beginning with an exploration of mining and the rise of Tijuana, the book examines a number of aspects of the region's social and cultural history, including urban growth and housing, the mysterious underworld of border-town nightlife, a film noir treatment of the Peteet family suicides, borderlands cuisine, the life of squatters, and popular religion. As stimulating as it is lively, On the Border will spark a new appreciation for the range of social and cultural experiences in the borderlands.
