Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Welcome to our New Mini Guides series. The purpose of these guides is to provide a simple training guide in a variety of KBB and Interior Designer or even Exterior Designer titles which extract the highly focussed information from our giant tomes that ran about 1000 pages and which would cost a lot more than you would wish to pay or we would wish to charge, With our compact mini guides you can acquire any of the titles at an extremely modest targeted sum. This is our 10th KBB Mini Guide covering the important subject of exterior design and presentation. Many KBB professionals now work in all three disciplines and one area that is currently expanding is that of granny Flats. That alone will justify this guide but many designers will also be working in the field of conversions and extensions which again will use the disciplines here. This nearly completes our essential KBB subject guides but there are still more drawing and designing guides planned, The most important being Granny Flat Designer and Bedroom Designer providing the requirements for a diploma in the AKBB prof. series.
