Is Valin Derojans life going to count Or is he just another young nomad The man who saved his life has been kidnapped by callous raiders from space. To regain his lost honour, Valin must attempt a hopeless rescue. His headstrong younger cousin is seeking to avenge the murder of her father, and follows him. So he must protect her too! But wait a moment, now whos saving whom In the course of the rescue, they are enlisted by an elusive band of freedom fighters and catapulted towards a galaxy-wide war. They are trained to use powerful mind-controlled rings. But that means Valin must get his raging thoughts and emotions under control. Is he up to this challenge An action-packed science-fiction adventure for mid-grade (8-12 year-old) readers. From a review by E. L. : I thought the book was really good, and it reminded me a lot of star wars. . . . I thought the creatures that you invented were really cool. I also thought the names were good. How did you name them, and where did you get the ideas I thought it was really interesting, and it made me want to keep reading until I was done (I actually read it when I was supposed to be watching my brothers soccer game. Dont tell him!!!). . . I am 13, I dont know what your targeted audience is, but I thought it was not too confusing. I thought it could have been even more intertwined and more confusing, because I personally like books super confusing. The Calling is the first in a series of science-fiction novels. With a degree in electronic engineering and a lifelong...
