But what I have to do next makes all that look like random acts of kindness. Finding Dee s murderer trumps all, no matter the cost, even bonding with Hross until death do us part. Give up Max? Check. Break his heart? Yeah, that too. But putting Max s life in danger was never, ever part of the plan. I have a chance to make everything right, once and for all. And I only have one shot, because what I m about to do requires the ultimate sacrifice: my life.
