## THE AMERICAN GI IN EUROPE IN WORLD WAR II: THE MARCH TO D-DAY

[DOWNLOAD](#)

Stackpole. 1 Cloth(s), 2009. hard. Book Condition: New. The attack on Pearl Harbor propelled America into a two-front war, motivating thousands of young men to enlist. This first book in the series follows them through their basic training, adjustment to military life, and then on to their first combat experiences in North Africa, Sicily, and Italy. Based on interviews with more than 200 veterans and often told in their own words, this first volume in a trilogy recounts the story of the American G.I. in the European theater of operations in World War II, from America's pre-war preparations through the Allied invasion of France. Rare archival photographs appear throughout, and sidebar articles provide in-depth information on the soldiers, their missions, and their weapons. 408.
