MOON-LIT POEMS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When life sometimes appears as an empty night sky, void of warmth, charisma or charity, some rising light from a star or brilliant moon arrives and changes everything. Now the sky is alive, with wonder, hope, mystery and beauty; things just beyond the explanation of pure existence, yet vital to our comfort, certainty of purpose and happiness. The expression of a passionate life so often seems contingent upon a particular and unique arrival into one's life- a beloved. This one experience, so common, yet fragile in the human condition, changes the course of lives like a river has changed a landscape to reach the ocean. In this book of poems, take a peek into this vibrant arena of the longing, the passion and heart driven journey to this soul filling attainment.
