## Vertebral Musculoskeletal Disorders (Paperback)

By Brian Corrigan, Geoff D. Maitland

Elsevier Health Sciences, United Kingdom, 1998. Paperback. Condition: New. Revised, Updated, Subsequent. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This book is an introductory text to spinal disorders. Based on the highly successful forerunner to this volume, Practical Orthopaedic Medicine, the book still retains the original philosophy of this text which is to systematically cover all the joints discussing examination, diagnosis and treatment. The full spectrum of therapies is covered with particular emphasis on Maitland s widely practised spinal manipulation techniques - how they are assessed clinically and their role in the management of spinal problems. A complete review of the current literature has been undertaken and a valuable new chapter on the spine in sport has been added. This book will be essential reading for students and practitioners involved in sports medicine, orthopaedic medicine and physiotherapy.

### Reviews

*Extensive guide! Its such a excellent read. This can be for anyone who statte that there was not a worth looking at. I am just effortlessly will get a satisfaction of looking at a written publication.*

-- **Melvin Hettinger**

*This book will not be effortless to start on reading through but very exciting to learn. It is amongst the most remarkable book i have got go through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Dr. Easton Collier DVM**
