

Community Terror (Paperback)

By Shameek Speight

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Andrew Clark and his family moved to a new community in Knoxville, Tennessee with the hopes of being in a more secured area. He picked what seemed to be the perfect gated community where no one had access to get in or out without using a gate key card. The moment he and his family moved in, a cute little girl from the Neighborhood would come knocking on his door everyday asking for dog food. Being who he was, he would give it to her, but something wasn't adding up as his mind wondered. Why was this cute little girl allowed to roam the neighborhood and knock on doors alone? Why did she need dog food everyday? Where were her parents? The closer Andrew got to the answers of those questions, the more we wish he never asked. Welcome to community Terror where things aren't what they seem.
