Unlike her name suggests, cookie shop owner Morgan Valentine, hasn t found true love yet. When her life-long crush moves back to town, hotter than ever, she is torn. Here s her opportunity to finally tell her best friend s brother how she really feels about him, but self-conscious about her body, does she even stand a chance with such a gorgeous man? Maybe it s better to take the safe route and keep her feelings to herself. Returning to Wood Violet wasn t something photographer Evan Hollins had planned on, but when his baby sister sends him an invitation to her wedding, he packs up and heads home without a second thought. Seeing Morgan stirs up old feelings he believed long gone. As his sister s best friend, she s always been off limits, but they re adults now, and he doesn t know how much longer he can pretend she doesn t affect him. A meddling mother, crazy wedding plans, a made-up job offer threaten to keep Morgan and Evan apart, but if they can focus on each other and put everything else aside, they may just get their shot.
