Atlantic Publishing Co, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. According to the U.S. Department of Labor s most recent statistical data, the median annual income of a professional in the medical billing industry is \$29,000 and, as a business owner, you could earn even more. The healthcare industry provides 14 million jobs and it is estimated that the industry will generate 3 million new jobs by 2016, more than any other industry. If you are detail-oriented, want to be your own boss, and would like to act on the behalf of physicians all over the country, the medical billing service business could be a right fit for you. Whether you will be operating out of your home or you are looking to buy or rent office space, this book can help you with a wealth of start-up information, from how to form and name your business to deciding if this will be a joint venture or if you would rather work solo. Valuable information on forming a Partnership, LLC, Corporation, or becoming a Sole Proprietor, the four types of business formation, is included, as well as the legal implications of each. A complete list of all of the start-up equipment that you will need is provided, as well as a sample budgeting sheet to allow you to gauge start-up costs. You will learn about potential risks that you take in opening a medical billing service and why it is important to have business insurance. You will find information on the operations side of running your business from filling medical billing claims to receiving payments, along with privacy information that you will need to know such as HIPPA. Included is a glossary with all of the medical billing terms that you will need in order...
