Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 246 pages. Dimensions: 8.4in. x 5.8in. x 0.7in. A constructivist (hands-on) approach to perceiving invisible human energy and where it is disturbed. The goal is empowering those individuals wishing to do more practical learning experiments in Energy Medicine. In the past, only direct clairvoyant perception could reveal invisible human energy and how its flowing. This made finding and following Therapeutic Direction extremely idiosyncratic; few could do this and even fewer do it well. Meridian tracing and muscle testing are the more modern, more democratic methods of perceiving human energy and its disturbances. Working in this level, finding and following Therapeutic Direction is multiplied many times. This is not your mothers or your fathers chakra anatomy book. NOT a rehash of chakras and acupuncture meridians nor NLP Metaprograms. Not a how-book on muscle testing Nine new views of human energy are presented. Each are perceptible and testable with self-muscle-testing. Testing thru these views is a better starting place for study human energy than auras and chakras per se as these are notoriously difficult to test and quantify. If you are already clairvoyant, NEW Energy Anatomy offers easier, more accessible language to explain your perceptions to clients. Written for teachers and students at schools of holistic, alternative, complementary healthcare methods. This is a handbook-manual-textbook. Also written for self-healers, Energy Detectives and students-practitioners of all methods of Energy Medicine. The ideal reader can already do self-muscle-testing or is willing to learn. Ideally for those working with invisible energy with God as your Partner. Ebook has all 26 diagrams from the paper edition of new views of our human energy landscapes and Unconscious Patterns. Conventional, physical human anatomy uses simple planes and quadrants to make useful distinctions. Our perceiving of acupuncture meridians...
