

Dear Ijeawele, or a Feminist Manifesto in Fifteen Suggestions

By Chimamanda Ngozi Adichie

Fourth Estate, 2017. Hardcover. Condition: New. From the best-selling author of *Americanah* and *We Should All Be Feminists* comes a powerful new statement about feminism today – written as a letter to a friend. I have some suggestions for how to raise Chizalum. But remember that you might do all the things I suggest, and she will still turn out to be different from what you hoped, because sometimes life just does its thing. What matters is that you try. In *We Should All Be Feminists*, her eloquently argued and much admired essay of 2014, Chimamanda Ngozi Adichie proposed that if we want a fairer world we need to raise our sons and daughters differently. Here, in this remarkable new book, Adichie replies by letter to a friend’s request for help on how to bring up her newborn baby girl as a feminist. With its fifteen pieces of practical advice it goes right to the heart of sexual politics in the twenty-first century.
