This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 170 x 117 mm. Language: English . Brand New Book. This story is about my own personal fight against cancer. I am not defined by the cancer. However I was changed by what the cancer took from me. My family was never the same and I was treated differently from that point on. The emotional damage has remained with me. I do not trust people in general. I keep to myself with only a few close friends. I hate asking for help that way I can never be let down or hurt by others. I have a great inner strength that gives me the strength to fight or know when to walk away. It is very common for families under stress of a sick child to divorce. They grow apart and feel helpless. That is not the case with Joleen Marie. In her gripping memoir I am Not Made of Stone, she discusses her own battle with a deadly illness. In times of hardship, families must unite and become stronger. Joleen s life is living proof as to the importance of a strong loving family. Build up your family and learn to heal together. Joleen hopes and prays that by writing this, she can enlighten others and give them strength to grow and to be happy.
