*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Firstly Nisibin 141 Firstly, I discovered that the poor man had been dead for ten years; secondly, that his son, an elderly gentleman, could not read Hebrew; thirdly (when a Rabbi arrived who could read the letter) that the synagogue in question was at Mosul. The Jews at Nisibin form a large and important Israelite colony: their origin is only noticeable in their large unshapely hands and long flat feet; and their appearance is much improved by oriental costume, in which any man with a thick nose, dark hair, full beard, and Semitic lips looks noble and dignified. It is indeed a pity that their brethren at home have assumed European attire. Imagine how picturesque and interesting a walk in the City near the Stock Exchange would become; what a blaze of colour Capel Court would be if the children of Israel retained their ancient and handsome dress! Young Salmon, the outside broker, canoeing on the river with Lewis McTaggart, in red Kaffieh and green garments, would be a much more pleasing spectacle than those gentlemen now present in ill-conceived blazers and striking flannels. I trust that the Uganda Zionists will adopt my suggestion. The sight at Nisibin is the church, and that is so restored...
