Penguin Putnam Inc, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Oliver, Charlie and Lulu love to play outside together. Their favourite game is hide-and-seek, but sometimes it s not fair for Oliver the elephant because his friends can hide in trees where he can t reach them. So the friends set off on a search for a tree that Oliver can play in as well. In a story style reminiscent of Goldilocks on the hunt for the perfect bed to sleep in, these three friends try out several trees, but none are quite right (there s a reason why we don t see elephants in trees!). When Oliver finally gives up in frustration, his friends build him a tree house to surprise him--and also provide the perfect place for them to play!.
