Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Things Indian: Being Discursive Notes on Various Subjects Connected With India India forms a continent rather than a country. The Panjabi, for instance, differs as much in physique, character, language, and traditions from the Madras, as the Scotchman from the Neapolitan. Hence, when a writer attempts to deal with subjects which concern the Empire as a whole, the difficulty of the task becomes apparent. A statement which may be true as regards Northern India may in no sense apply to the land or races of the South. For matters, therefore, which lie beyond my own experience, confined as it was to the United Provinces of Agra and Oudh, I have been obliged to rely on the best available authorities. A bibliography of this literature will be found prefixed to the new edition Of Hobson-jobson. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
