

## Scripture Press High School Zelos Student Book, Summer 2015: Trusting God

By -

David C. Cook, 2015. Trade paperback. Condition: New. Zelos Journal for Student Disciples helps students dig deeper into God's Word and apply it to their lives, right now. The "Z-Studies" include three days' worth of Bible studies, with a suggested reading from Scripture, a brief commentary on that Scripture, a journaling question with room for the student to write a quick personal reflection on the Scripture, and a directed prayer in response to the Scripture. The Theme Section includes four to five magazine-style articles to guide students' thinking on one of the units in the "Z-Studies." These appealing stories include exciting fiction; true stories of individuals living out their call to follow Jesus; practical teaching articles on how to apply specific biblical principles; as well as helpful humor stories and poetry. The "Time Zone" student planning calendar, helps busy students plan their week by recording homework assignments, work and practice schedules, upcoming youth group events, ministry outings, and more. The idea is to help students develop time-management skills and to help them see following Jesus as part of their everyday lives not as a Sunday event.
