Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Native American youth ignited a movement to stop oil pipeline DAPL from polluting ancestral lands on their reservation. Called Water Protectors, the group attained international attention and momentum. Unprecedented in historical scope and magnitude, thousands of people sojourned to Standing Rock.and then left. Ill-equipped to handle the brutality of a North Dakota winter, the organic movement was left again in the hands of the farsighted youth. They faced the challenge of fighting an enormous corporate government machine; challenges of weather; and challenges of visionaries who wanted to support the camp but had no complete understanding of what the camp had evolved into. Against all odds, a scintillating light still burned. The movement was birthed by young people, and in order to continue, it was young people, once again, who were braving the harsh winter in indigenous teepees and yurts. Many of them were looking for direction and what to do next. They remained in love and they remained unified and unarmed. The truth at Standing Rock is still continuously being revealed, and as long as those in the camp stayed within the values they first yearned for and then manifested, they had the power to keep going and the next right step would, in time, reveal itself. - - - A Standing Rock volunteer, January, 2017: I have returned from Standing Rock with my mind blown, my heart broken and my spirit troubled with this deepening tragedy. I have witnessed several confrontations between Water Protectors (WP) and law enforcement (LE). I observed WP with their hands in the air chanting hands up, don t shoot being fired upon at a range of 10 to 15 feet. Tear gas canisters and rubber bullets...
