*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, The Daughters of Mars, Thomas Keneally, In 1915, two spirited Australian sisters join the war effort as nurses, escaping the confines of their father's dairy farm and carrying a guilty secret with them. Used to tending the sick as they are, nothing could have prepared them for what they confront, first in the Dardanelles, then on the Western Front. Yet they find courage in the face of extreme danger and become the friends they never were before. And eventually they meet the kind of men worth giving up their precious independence for - if only they all survive. At once epic in scope and extraordinarily intimate, The Daughters of Mars brings the First World War to vivid life from an unusual perspective. Profoundly moving, it pays tribute to the men and women who voluntarily risked their lives for peace.
