

One Cent, Two Cents: All About Money

By Dr. Seuss

HarperCollins Publishers, United Kingdom, 2011. Paperback. Book Condition: New. 225 x 163 mm. Language: English . Brand New Book. Beginning with the ancient practice of bartering, the Cat explains various forms of money used in different cultures, from shells, feathers, leather, and jade to metal ingots to coins, to the current king of currency, paper. A fascinating introduction is bound to change young reader s appreciation for change! This title and others form part of a series of books that takes an off-beat look at nature and natural sciences through a fun combination of Seussian rhymes and zany illustrations. Aimed at early readers - from four to seven year olds - the books are designed to bridge the gap between concept books written for preschoolers and more formal non fiction titles that require fluent reading skills. By presenting the facts in a lively and rhythmic manner, they provide the critical foundation upon which complex facts and ideas can eventually be built.
