Trying to find their way home, they encounter boisterous Toves and anxious Raths, receive a warning from the refined and snobbish Borogroves about the deadly Jubjub Bird, and are stalked by the frumious Bandersnatch. Joined by intrepid but hapless knight Percy, they come face to face with the awesome Jabberwock - and then Lucy is bandersnatched! Eventually the Jabberwocks terrible secret is revealed, and the children find out what frumious really means.Suggested by the poem Jabberwocky, the play is set in the fantasy world of Lewis Carroll s Alice stories. Shortlisted in Scottish and Welsh playwriting competitions, one judge commented it has the same delightfully confusing dialogue of Carroll s work and brings back fond memories of reading these stories as a child. Wonderfully cryptic nonsensical moments as well as moments of philosophical clarity made me smile and wonder. This play will go down a treat with children and adults alike....
