There is no doubt that the rich theory about the ink pen . as well as traditional painting theory. is the essence of the historical heritage. which is an important symbol of the national painting features. performance art of the ink is to improve the quality of today's portraits artistic taste the important content. Chinese figure painting go? This is a serious issue figure painter in front of each responsible. We should own styling concept . we must study the Chinese-style modeling to shape the differences with the West. this is only the aesthetic psychology of the nation. aesthetic habit. but also because the Chinese painting tools decision. The combination of tapered brushes. ink and rice paper. ink line writing performance practices. achievable intuition is true. in any case limited. However. the aesthetic of the art is not proportional to the performance of the real degree. It is we give scientific truth to the soul of art. we kind of Chinese painting is not entirely true real have a world of their own existence. the only independent aesthetic value.
