Hermiz Publishing, Incorporated. Paperback. Condition: New. 220 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. In Book 3 of Healing Wisdom for a Wounded World, Weam Namou shares the highlights of the third year of her apprenticeship in Lynn Andrews four-year shamanic school. Her biggest act of power this year is to make it to Storm Eagle, the training gathering in Arizona, and participate in the marriage ceremony. She wants to finally meet her mentors and Lynn Andrews in person. As she sets her intent and waits for the outcome, she dives into the schoolwork, which focuses on balancing one's emotions, building endurance, working deeply with the chakra systems, and celebrating the marriage of self to self. Through the author's journey, you will gain insight into these ancient holographic teachings where the past, present, and future exist simultaneously as our reality. This is a theory which goes back to the indigenous people who believed that we exist in a dream or illusion. Physicists across the world are now thinking the same thing and people are awakening to the possible idea of birthing a new story for our planet. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
