

Biologie Clinique (Paperback)

Filesize: 5.44 MB

Reviews

This is actually the best ebook we have read till now. Indeed, it can be enjoy, nevertheless an interesting and amazing literature. You will not feel monotony at whenever you want of the time (that's what catalogs are for regarding should you question me).
(Jamar Stracke)

BIOLOGIE CLINIQUE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Sans tomber dans la caricature du medecin soignant une analyse sanguine depuis son ordinateur, il est un fait que les analyses des liquides biologiques ont pris une place centrale en medecine du fait des progres de la recherche fondamentale et appliquee. Il n est pas question dans ce volume de fournir une somme d affirmations indiscutables couvrant l ensemble de la biologie medicale mais bien une serie de fiches concises offrant des exemples d interpretation et de prise en charge des principales anomalies biologiques rencontrees en pratique clinique. A chacun ensuite de les confronter a ses propres connaissances, pratiques et recherches pour se batir son mode de raisonnement clinique. Il s agit donc d un outil visant a contribuer a l education des etudiants en medecine, des jeunes praticiens et, de facon plus marginale, du public (on ne le repetera jamais assez: le succes premier therapeute d une maladie sont le patient lui-meme et ses proches. encore faut-il qu ils disposent d informations adequates).
