Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How old were you when you discovered Sherlock? As part of the Classics For Kids series international best-selling author Mark Williams is proud to present this adaptation for children of the Sherlock Holmes short story The Blue Carbuncle. This edition is in American-English. A British-English edition is also available. The stories are identical, but in Britain we spell color as colour, theater as theatre, etc, and I wouldn't want my young readers getting marked down at school for using the wrong spelling for their side of the Atlantic. Come join Holmes and Watson as they solve the mystery of the blue carbuncle in a child-friendly, twenty-first century English and with the seamier side of Victorian life left out. Ideal for children aged 9-12 to get started with the world's most famous detective.
