Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I never heard him come after me and even as I climbed the slope and stumbled onto our shaded back lawn, I didn't look back. It was like the day the gnomes chased me all over again, but this time I was not escaping some horrible little creatures, I was fleeing from an incredibly good-looking guy who could very well understand me completely. I was either saving myself from that serial killer I always imagined lived down in the swamp, or I had finally gone over the deep end . . . Meghan Elam has been strange her entire life: her eyes have this odd habit of changing color and she sees and hears things no one else does. When the visions and voices in her head start to get worse, she is convinced that her parents will want to drag her off to another psychiatrist. That is, until the mysterious Cade MacRoich shows up out of nowhere with an explanation of his own. Cade brings her news of another realm where goblins and gnomes are the norm, a place where whispering spirits exist in the very earth, and a world where Meghan just might find the answers she has always sought.
