Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Quicksand, Steve Toltz, A daring, brilliant work by one of our most original and fearless novelists. 'Why should I let you write about me?' 'Because you'll inspire people. To count their blessings.' Aldo Benjamin, relentlessly unlucky in every aspect of life, has always faced the future with despair and optimism in equal measure. His latest misfortune, however, may finally be his undoing. There's still hope, but not for Aldo. His mate Liam hasn't been faring much better - a failed writer with a rocky marriage and a dangerous job he never wanted - until he finds inspiration in Aldo's exponential disasters. What begins as an attempt to document these improbable but inevitable experiences spirals into a profound exploration of fate, fear and friendship. Anarchically funny and wildly entertaining, Quicksand is a subversive portrait of 21st-century society in all its hypocrisy and absurdity, an exquisite interpretation of suffering and resilience, and a powerful story about taking risks and finding inspiration.
