

Screening Violence (Paperback)

By -

Rutgers University Press, United States, 2000. Paperback. Condition: New. New. Language: English . Brand New Book. Graphic cinematic violence is a magnet for controversy. From passionate defences to outraged protests, theories abound concerning this feature of modern film: is it art or exploitation, dangerous or liberating? This volume provides an examination of the history, merits and effects of cinematic ultraviolence . Movie reviewers, cinematographers, film scholars, psychologists and sociologists all contribute essays exploring topics such as: the origins and innovations of film violence and attempts to regulate it; Hollywood s production code and the evolution of the ratings system; the explosion of screen violence following the 1967 releases of Bonnie and Clyde and The Dirty Dozen , and the lasting effects of these landmark films; the aesthetics of increasingly graphic screen violence; the implications of our growing desensitization to murder and mayhem, from The Wild Bunch to The Terminator .

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
