Dance Books Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Rush was the first group piece made by Akram Khan, already a celebrated and exciting young solo performer, whose unique Contemporary Kathak style had won critical and popular acclaim. Rush was pivotal in establishing Khan s own company and launched him on a meteoric and international career. This book will be an invaluable resource. It provides material and information for both teachers and students to support study of the work. It will also be useful to those teaching dance at a range of other levels. A list of useful resources is provided for study of these aspects. Part 3 gives insight into the starting points for Rush and outlines the contributions of the choreography, music and lighting design. Part 4 lays out an analytical overview of Rush and suggests a range of practical and theoretical tasks for the teacher to use. These include detailed questions on each section of Rush and its elements in order to guide students through an appropriate process for making an interpretation of the work. Appendices provide further contextual information, resources and a bibliography.
