CENTRAL TUSCANY: AREZZO (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Central Tuscany: Arezzo New and Expanded 2018 to 2019 Edition This is the most comprehensive Arezzo guidebook in English. It invites you to the hill town of Arezzo to view its sites and experience its culture. My guidebooks are for the repeat visitor, people who want to focus on enjoying Italian culture more than collecting as many sites as possible. With my books you: learn about culture and festivals, find a place to stay with information on an agriturismo, hotel, and BB, eat at good restaurants and pizzerias, participate in the evening passeggiata and local Saturday market, decode religious art, use GPS coordinates to navigate, review mobile accessibility of sites, and cook with authentic recipes, many from my Italian family. Advantages of Arezzo Location. Arezzo is a short 45 minute train ride to Florence; 30 minutes by car from Cortona; 60 from the Val d Orcia; and 90 from the wine region of Chianti. Nearby is Ponte Buriano, the bridge in the background of the Mona Lisa. Less Expensive. With Florence only 45 minutes away you can stay in Arezzo for less. Moderately priced hotels and agriturismi abound in the area. Festivals. Arezzo hosts a monthly Antique Fair, considered by many the most important in Italy with over 200 dealers winding all around the old city center. Twice a year the four neighborhoods compete in the Joust of the Saracino, complete with full Medieval regalia. Almost every weekend brings in a special festival. Markets. Saturday mornings are for the large open air market selling everything from food to shoes to toys to kitchenware. October is for the largest market of the year, Mercato Internazionale, with food from over 80 countries....
