

Sagamore Beach

By Marion R Vuilleumier

Arcadia Publishing (SC), United States, 2003. Paperback. Book Condition: New. 226 x 157 mm. Language: English . Brand New Book. Framed by a two-mile pristine beach with Victorian homes on an overlooking bluff, the Sagamore Beach area has a long history, beginning with the Native American trail that was the forerunner of today s Route 6A. Settlement began when the internationally known Christian Endeavor Society chose the area for a summer colony in 1905. Soon, it was a combined vacation, recreation, and religious community, as well as a haven for families, that hosted numerous activities, including speakers of national fame, conferences, and a traditional swim at eleven every morning. Among stories of colony life in Sagamore Beach are several early attempts to create the Cape Cod Canal. Sagamore Beach became a prime site for viewing the construction of jetties for the canal s east end, the building of Sagamore Bridge, and the first ships transiting the canal.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
