Business Process Management: Practical Guidelines to Successful Implementations (Paperback)

By John Jeston

Taylor Francis Ltd, United Kingdom, 2018. Paperback. Condition: New. 4th New edition. Language: English . Brand New Book. Business Process Management, a huge bestseller, has helped thousands of leaders and BPM practitioners successfully implement BPM projects, enabling them to add measurable value to their organizations. The book's runaway success can be attributed partly to its overview of all major useful frameworks (such as LEAN and Six Sigma) without over-investment in one over another, and a unique emphasis on BPM's interrelationship with organizational management, culture and leadership. Its common-sense approach teaches how BPM must be well-integrated across an entire business if it's to be successful: augmented and aligned with other management disciplines. This highly anticipated fourth edition brings Jeston's practicable frameworks and solutions up to date with the latest developments in BPM, including the robotics process automation, digital strategies and the changes necessary as a result of the impact of the quad generations in the workforce. This thoroughly revised and updated new edition includes: Enhanced BPM House noting the importance of traceability from strategy to execution activities New and revised case studies An analysis of the risks and benefits of robotic automation and cognitive computing. The book...
