Andrews McMeel. 1 Paperback(s), 1998. soft. Book Condition: New. A workshop with a grand mission lasts all of five minutes before someone pushes the abort button, in this 1998 Dilbert collection, with daily strips in black and white and color Sunday strips. Less-than-honest product descriptions are ranked by the pangs of conscience they produce in their authors, Dogbert leads a series of trust exercises, and a team-building activity involving a donut and a pencil goes horribly, horribly wrong. What started as a doodle has turned its author into a superstar of the cartoon world. Dilbert began its hilarious skewering of the great American officeplace in 1989, while Scott Adams was in the tech department at Pacific Bell and where he continued to work until he was "voluntarily downsized" in 1995. 224.
