Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The world is anxious for answers about the future. We feel our world teetering on the edge of political, economic, and moral collapse. Oddly, those seeking to see beyond the veil have consumed their time with Mayan calendars, the writings of psychics and the mysterious quatrains of Nostradamus while ignoring the exhaustive descriptions of the worlds future in a book that most all of us have in our homes. The Bible. This short book is my attempt to gather up those answers from one end of the Bible to the other. I scour those prophetic books that most of us have rarely or never visited: Ezekiel, Daniel, Obadiah, Zephaniah, Zachariah and others. Real prophets, each of whom saw a piece of the amazing future puzzle that is about to be unveiled. It is my purpose to gather up and assemble these pieces to reveal the final days of planet earth and to prepare and encourage my readers to search out the scriptures to add more details on their own.
