TRIALS OF THE EARTH: THE TRUE STORY OF A PIONEER WOMAN (HARDBACK)

Little, Brown Company, United States, 2016. Hardback. Condition: New. Reprint. Language: English . Brand New Book. Near the end of her life, Mary Mann Hamilton (1866-c.1936) was encouraged to record her experience as a female pioneer. The result is the only known first-hand account of a woman thrust into the center of taming the American South--surviving floods, tornadoes, and fires; facing bears, panthers, and snakes; all while caring for her children, several of whom didn't survive despite her efforts. The extreme hard work and tragedy she faced are eclipsed only by her strength and faith in her husband, a mysterious Englishman, and by her sense of adventure. Written in frank and expressive prose, and withheld for almost a lifetime, *Trials of the Earth* speaks to the heart of our ability to endure and will resonate with readers of history and fiction alike.
