Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The universe is a big place where the Earth occupies an infinitesimal small part. According to recent cosmology there are countless worlds which may harbor life. Although we may not have the technology to span interstellar distances, those aliens may have the ability to visit our world. The stories in this book tell the tales of the good, bad, and indifferent aliens we may encounter. These stories are meant to entertain, tickle the imagination, and give serious thought to the concept we are not alone in this universe. Read on and enjoy. The universe is filled with innumerable worlds on which life can appear, evolve, and venture forth to other worlds. The denizens of those other worlds may be beneficent or not. Come explore some of the possibilities our world might face when meeting these strangers. Enjoy as they take you to worlds and situations far beyond those on our mundane planet.
