**CHICK BAIT: PERSONAL ADS THAT ARE GUARANTEED TO GET YOU LAID (PAPERBACK)****DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. If the way to a man s heart is through his stomach, then the way to a woman s heart is through words - words that feed the imagination, fuel passion, and make her laugh. However, if you re not interested in her heart, words also come in handy when your trying to convince a woman to meet you for a cup of coffee and then go back to your place or a nearby hotel for a quick . adventure. This book is a collection of words that I have successfully employed in my ongoing efforts to meet new women and have sex with them. As a result, my life has been just a little more fun that average bloke s and perhaps just a little less lonely. I m sharing these words with you in the hope that they will make your life a little more fun too. Of course, there s no guarantee, despite what the cover of this book says. These words are merely a tool to open the door, to start the conversation. The ads in this book will inspire unique, funny, free-spirited women to respond to your personal ads and dating profiles. That is a guarantee. What happens from that point depends entirely on a completely different set of words. And actions. My advice: Don t be a jerk. Take your time. Take her hand and walk down the path. Celebrate who she is. Have fun. Experiment Hmmm. Perhaps, there s another book in my future. In the meantime, good luck. Be funny. Be honest. Be kind.
