Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Just Patty is the prequel to When Patty Went to College, which was Webster s first novel. We see the same lovable prankster at school, causing just as much havoc as ever and delighting her fellow students with her scornful disregard for rules and etiquette. Jean Webster (pseudonym for Alice Jane Chandler Webster) was an American writer and author of many books including Daddy-Long-Legs and Dear Enemy. Her best-known books feature lively and likeable young female protagonists who come of age intellectually, morally, and socially, but with enough humor, snappy dialogue, and gently biting social commentary to make her books palatable and enjoyable to contemporary readers.
