About this time the King s great business, as it was commonly called, or his divorce from Q. Katharine, came on the stage, in which our Bishop was very warm and active on the Queen s behalf, insomuch, that he would very freely dispute for the lawfulness of her marriage, and frequently declare his mind in that matter. One instance of this is, that Staphileus, an Italian bishop, being here in England as Pope Clement s ambassador to the King, he, either to make his court the better, or that he was so persuaded in opinion, seemed fully satisfied about the justice of the King s cause: on which account he was sent back to Rome with instructions concerning it, both publick and secret.
