Berkley Books, United States, 2011. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. In the mountains of Guanajuato, Mexico sits a picturesque community favored by artists and tourists. But for American-born Jayne Valseca and her husband Eduardo, son of a legendary Mexican newspaper publisher, it became a hell on earth when Eduardo was ambushed by strangers and kidnapped in the summer of 2007. Jayne knew that in Mexico kidnapping was a pervasive and lucrative business-a burgeoning criminal industry with few happy endings. This time the merchandise was her husband. Sealed in a dark seven-by-six, two-feet-wide box, Eduardo lived for seven months on little more than eggshells and chicken bones. He was subjected to the most cruel and humiliating mental and physical torture imaginable. He had no reason to believe he d ever be found alive. As the ransom escalated, so did the stakes. But Jayne refused to be a pawn in the kidnappers sick game. She decided to become a player. If she was to get her husband back alive, she d have to be more cunning than the kidnappers and be cool, calculated and determined.
