CRUMPS THE PLAIN STORY OF A CANADIAN WHO WENT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Captain Keene has made an interesting contribution to the literature of the present war in his account of service, which covers the experience of a young officer in the making and on the battle front, --the transformation of an artist into a first-class machine-gun officer. He covers the training period at home and abroad and the work at the front. This direct and interesting account should serve to bring home to all of us an appreciation of how much has to be done before troops can be made effective for modern war, the cost of unpreparedness, and the disadvantage under which troops, partially equipped, labor when they meet highly organized ones, prepared, even to the last detail, for all the exigencies of modern war. It also brings out the splendid spirit of Canada, the Mother Country, and the distant Colonies, --the spirit of the Empire, united and determined in a just cause. This is the list of the fleet. It is written here in the order in which they are sailing. Three warships are heading the fleet; the flagship is the H.M.S. Charybdis, commanded by Admiral Wemyss, who distinguished himself a few weeks ago in the Battle of Heligoland. H.M.S. Diana H.M.S. Eclipse H.M.S.
