By Owen Jones

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Megan is a girl with supernatural, psychic powers that she does not fully understand. She is constantly on the look out for someone to advise her how to develop them, but the only people she knows who are able to help her are dead. This does not deter Megan from seeking their assistance though. In this story, it is Megan s thirteenth birthday and Megan s parents take her shopping, where there is an incident, which Megan helps to put right. She is thanked by the police and the ambulance staff. It is the first time that she uses her powers for anything useful. Later, in the afternoon, there is a family party in a marquee, but it is the evening with her friends that she is really looking forward to. She meets a boy there and receives her first kiss from a non-relative.
