Veloce Publishing, U.K., 2012. Soft cover. Condition: New. With the cost of family holidays increasing, more and more people are looking to take their holidays at home, so a campervan or motorhome makes an ideal choice. Combining transport and accommodation, motorhome popularity is increasing both for holidays and as a hobby. This book gives guidance on the many sizes and types of motorhome available, the accessories you may expect your motorhome to be equipped with and it also shows you what you can do to make your motorhome more individual. Covering every aspect of motorhome ownership, it explains the pitfalls of the 'payload' and 'maximum gross weight' figures and how to check them, and discusses fuel types, habitation, electrics, leisure batteries, chargers, fuel cells – in fact, everything you need to know to be a safe, self-sufficient motorhomer. Light Book postage reduced when order processed.
