Its object is to be the handy guide and companion of practical information for the Tourist en route or on his arrival. Once settled at his place of destination, he will have access to fuller guides and descriptions to supplement the mere indications given in this work. It was formerly thought necessary to give copious directions to travellers for their journey, when travelling was slow, difficult and occasional; but now that rapidity, ease and frequency are in the ascendant, a few hints will suffice. First in importance to the traveller is money. A sufficient provision in any currency, or of any character, is easily convertible into current coin in any state, city or town on the continent of Europe,...
