Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

THE SOLOMON SCANDALS

[DOWNLOAD](#)

Paperback. Book Condition: New. Paperback. 266 pages. Love the gritty depictions of Washington power players in the stellar House of Cards series. Then you might also check out the *The Solomon Scandals*. Like so much of the series, as well as the classic novel *All the Kings Men*, *Scandals* is about the conflict between friendship and duty. *The Solomon Scandals* mixes tragedy, suspense and satire in an unblinking look at life in Washington and its Northern Virginia suburbs. A President blackmails and corrupts. A building may fall. A Latin-American dictator launders his money with help from the D. C. elite. Spies and journalists court each other in a moral or not-so-moral mist, and lines can blur between the two occupations. Although on the surface a fast-paced beach read or airplane book, *The Solomon Scandals* has plenty lurking below. The author, a columnist for the *Georgetown Dish*, grew up on the outer fringes of the D. C. elite (a future Watergater lived almost next door), and *Scandals* offers the nuances and passion you would expect from a Washington-area native. The Seymour Solomon in the title is a massive ex-bricklayer with two fingertips missing. He leases acres and acres of office space to the federal government. Tens of thousands of bureaucrats work in his buildings. An immigrant's son, Solomon has managed to break into the highest reaches of Washington society, not so coincidentally befriend his share of politicians, judges and building inspectors. Jonathan Stone, the reporter protagonist, discovers that Solomon has stinted on construction of the huge Vultures Point complex on the Potomac River. In researching the story, Stone is aided by Margo Danialson, a spirited young medieval studies graduate trapped within the bureaucracy Solomon has bought off. By the end of the book, thanks in part to Margo, not just the...
