

Handbook of Occupational Safety and Health (Hardback)

By Lawrence Slote

John Wiley Sons Inc, United States, 1998. Hardback. Condition: New. 2nd Edition. Language: English . Brand New Book. Workplace safety and health is serious business. In work environments where the safety and health of employees is a significant issue, a major leadership challenge is to instill shared, companywide values that establish the safety, health, and well-being of each individual as a paramount concern of the business. Now in its second edition, the Handbook of Occupational Safety and Health, originally edited by Lawrence Slote, remains an essential first source for quick, practical answers on this pivotal workplace issue. Concise chapters detail specific issues of biological, chemical, and physical hazards to workplace safety and health, and also address a broad spectrum of management concerns including training, workers compensation, liability coverage, and regulatory matters. While adhering to the requirements set by the Occupational Safety and Health Act (OSHA) of 1971, the authors of this volume advocate a progressive approach that exceeds basic compliance with established regulations. Chapters emphasize not only worker protection through safe equipment and management supervision, but also the safety training of workers. Throughout, contributors stress the need to align safety and health concerns fully with a company's business objectives,...
